What are we Learning?

This month in Splash Ministry we are focusing on Trusting and Obeying God, even when it is hard.

We all go through seasons, periods in our lives when we just don't want to obey God. It seems hard to trust Him. We feel like, maybe He doesn't REALLY have our best interests at heart. Maybe He's thinking of His own. Maybe He's just not paying attention. Maybe He's even forgotten us. Well our children go through seasons like this as well.

In Splash we want the children to know that God loves them. He knows their heart and how they are feeling and only has plans to give them 'Hope & a Future' as He is all loving. When we trust & Obey God life will turn out for their good and they will see amazing things happen in their life ♥
